

# Xtend Extra Curricular Courses

There are opportunities for the more able students to study for qualifications outside of school hours. These will be held not only at our school but also at other schools and colleges across South Warwickshire.

It will be up to you and your parents to arrange transport to and from the course (in previous years parents have shared lifts). Unfortunately, we have to pass on the costs of the course to parents, but these can be paid in 2 or 3 instalments throughout the year.
