APPLIED LEARNING

27 May 2010

Dear Parents/Guardians

## Year 8 Visit to Drayton Manor

As part of the Maths, ICT and Science Curriculum we are planning to take Year 8 to Drayton Manor to look at elements of the tourist industry on **Thursday 17 June**. This project is being supported and subsidised by our Maths & Computing College status.

We will be leaving school at 9.15am. Students need to bring a packed lunch with them. School uniform does not have to be worn, however, suitable clothing for the theme park and comfortable footwear is essential. Please ensure that your child has appropriate sun protection with them should the weather be hot and a waterproof in case it rains!

The cost of the trip will include entry to the park, insurance and transport. To make the most of this day at Drayton Manor we plan to leave the theme park at 5.00pm, returning back to school at approximately 6.00pm. Consequently, arrangements must be made by yourselves to collect your child from school.

It is not possible to cover these costs from school funds so we ask parents of children attending to volunteer a contribution of **£20.00** in order that the trip can take place. Inability of a parent to make this payment should not preclude their child from attending, if the trip takes place. Please contact either myself or Mr Nallen at school if this is the case.

If your child wishes to take part in this trip, please complete the proforma below and return to school by **Thursday 10 June**. We would prefer if you could make your payment through our **Parentpay** system however where circumstances do not allow this we are happy to accept cash or cheques as payment. If there are any medical details of which we should be aware, would you please detail them below and complete the emergency contacts attached. Sorry to get you to repeat this exercise again, but we are in the process of simplifying our procedures for next year.

Yours sincerely

**Sarah Atherton**  
**Head of Mathematics**
