November 2009

Dear Parents

Please find enclosed your copy of the first St Benedict's report produced for your child. The purpose of this brief report is to inform you of the interim progress made by your son/daughter in relation to general achievement.

Effort Grades in all subjects range from A to E with A being excellent, C satisfactory and E a poor performance. For all other subjects, the "Working At" level is an indication of the National Curriculum level that they are achieving. You will appreciate that your child has currently been in school for a short period and assessment is an ongoing process. A more detailed profile will be issued at the end of the year.

The majority of children should have arrived having been working in the range 2-5 with the national average for children being level 4 at the end of Key Stage 2. Now that pupils are in Key Stage 3, they should currently be working in the range 3-7. In some subjects, for example Spanish, it is a new course for many pupils and levels will appear low, but pupils should soon make up the ground.

We would expect Effort Grades to be A or B and should your child receive more than two C grades or below in this column we would ask you to discuss this, particularly, with him/her.

The following exams, reports and consultation will take place in Year 7 on the following dates:-

Consultation Evening	Tuesday 8 December 2009	4.00-8.30 pm
Year 7 Examinations	Wednesday 16 June 2010	
Year 7 Profiles issued	Friday 16 July 2010	

If you need to contact the form tutor in the interim with regard to the progress of your son/daughter, please do not hesitate to contact the school.
