APPLIED LEARNING

November 2009

Dear Parents

This report contains updated information regarding your child's performance since entering Year 8. On the report sheet are listed your child's effort grades, the levels they are currently working at and their target levels for the end of Key Stage 3, which will be assessed at the end of Year 9, in the subjects that they are at present studying as full courses. Citizenship targets have also been included on this report.

The targets that have been set will be challenging for all, but they should also be achievable. Teaching staff will have considered many aspects of previous performance and experience in order to arrive at individual targets for each pupil in each subject. Pupils will also be asked to set process targets which will help them to reach their academic targets.

During Year 8, pupils are also taught Dance, Drama, ICT, and French as part of a carousel arrangement, where pupils study each subject for 7/8 weeks on a rota basis. You will receive a report on these subjects at the end of Year 8.

For many pupils, their first experience of learning a modern foreign language comes in the secondary school, whereas other subjects have been studied at primary school. Pupils may seem to be working at lower levels initially, but they catch up as their skills develop.

We would expect Effort Grades to be A or B and should your child receive more than two C grades or below in this column we would ask you to discuss this, particularly, with him/her.

The following exams, reports and consultation will take place in Year 8 on these dates:

Year 8 Examinations W/c Monday 25 January 2010
Year 8 Profiles issued Wednesday 10 March 2010
Consultation Evening Thursday 15 April 2010 4.00 – 8.30 p.m.

If you need to contact the form tutor in the interim with regard to the progress of your son/daughter please do not hesitate to contact the school.

8B Miss M. Davies 8F Mr. S. Liles
8C Mrs. J. Sandham 8M Mrs. J. Knowles

It is essential that you return the proforma attached to indicate that you have received this report.

Yours sincerely

M Deeks
